Has Terratherm specified which equipment belongs to them?

Carolyn-

Thank you for letting me know about the Nov. 30th letter from Terratherm. The AF contracting officer sent me a copy, and contracting is reviewing the payment issues raised by Terratherm.

We request that the hold on ST012 SEE decommissioning issued to the AF by EPA and ADEQ be released so that excess equipment can be removed from the site by AF contractors and/or subcontractors. Thank you for your consideration.

Cathy
